

Substitution Policy

11/6/2017

1. Southern Sports Leagues does not allow substitutes in any of its sports leagues.
2. Any team that is caught using substitute players that are not on their roster, will be required to forfeit their game.
3. If a team does not have the minimum amount of players needed to field a team, then the team shall be allowed to pick up a substitute player to fill in but the game shall be declared a forfeit prior to starting. Teams may still play the game for fun but the final score shall not count.
4. Substitutes may never be used in playoff games.
